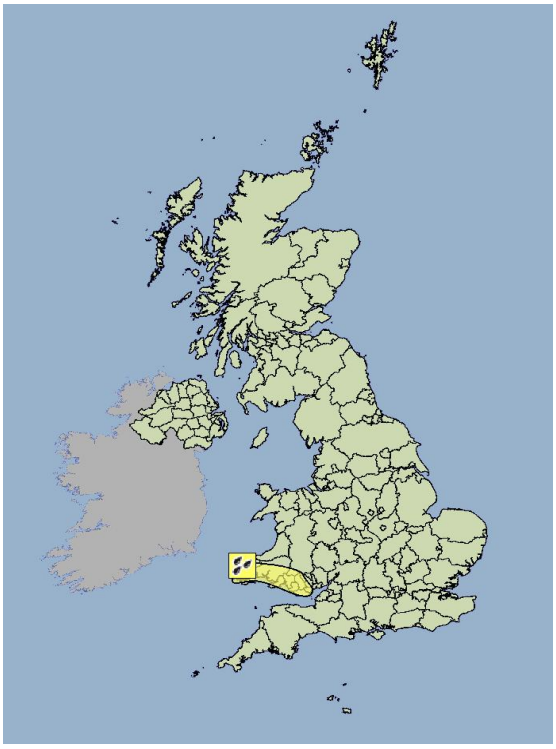
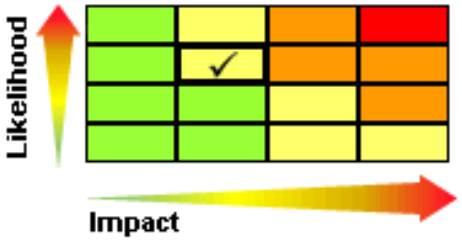
National Severe Weather Warning Service





Chief Forecasters Assessment
A moist southerly airstream will bring periods of rain through Monday, producing locally 20 mm in 3 to 4 hours, and with overall totals perhaps around 40 mm, especially on hills.

At this stage there remains some uncertainty as to how persistent and heavy the rain will be, so watch out for possible updates to this warning.

The Met Office have issued a **Yellow Warning** of **Rain**

Valid from **10:00 on Mon, 26th Sep 2016** until **22:00 on Mon, 26th Sep 2016**

Outbreaks of heavy rain will affect parts of south Wales at times on Monday. Please be aware that this may lead to standing water and spray on roads, making for tricky travel conditions.
